Hours
This indicates when the clubhouse opens and recommends the latest time to start a round for the day.

Course Status— See Pg 2

Status Update Time
This shows the time when the status was last updated. The time will turn red if the status has not been updated recently.

(Status Updated: 2:30 PM Today)

Announcements
This section will explain the course status and show other messages for the day.

Max Group Size
This identifies the max party size currently allowed on the golf course. Please call the clubhouse for approval if a larger group is desired.

Event Calendar
The event calendar for the day is shown by default. Upcoming events for the day can be seen in this view. You can switch between the days by pressing the blue arrow buttons.

There is a button at the bottom of the calendar that will show the full list of events yet to happen this season.
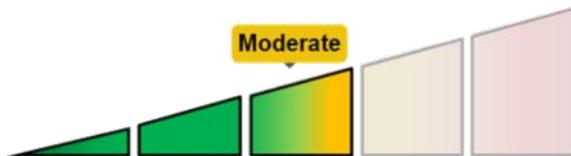

BUSY-OMETER

NEAR REAL-TIME COURSE STATUS

The course status bar shows how busy the course was at the time of the last update. The more colored boxes, the more busy the course is:

Very Low

The course is mostly open - great for a quick round or practice. Expect 0-3 groups on the course.
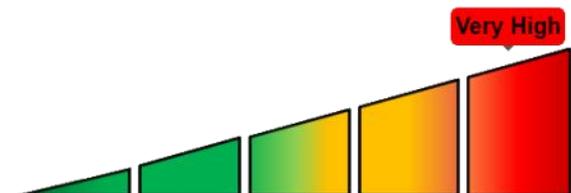

Low

The course traffic is low which is great for a quick round. Expect 3-6 groups on the course.

Moderate

There are carts and tee times immediately available. Expect players on most holes, but no wait to start on #1 tee.

High

The course is full with a short wait on the #1 tee of 15 minutes or less.

Very High

The course is full with a wait on the #1 tee of 15 minutes or more.

Event About to Start - Info Below
